# SHOW-SITE VIDEO SERVICE PACKAGES\*

# 2017

Let our video production team bring your trade show booth to life! On site, have a commercial filmed in your booth (before the show floor opens). Promote your products, share your best sales tips, and explain how you can be a partner to distributors looking to sell more! You can choose to pitch by yours elf or have a one-on-one interview with an *ASI Show* expert.

You will receive your finished video file a few weeks after the show, and it is yours to share on your website, through email and more. And, if you choose our Red Carpet Package, we'll help distribute your video!

\*By appointment only. A limited number of appointments are available. Please contact your *ASI Show* account manager to schedule your shoot.
