# NEW Launch to Success Package

# 2017

As an event sponsor, you'll establish a noticeable presence at *ASI Show*. The Launch to Success Package is an excellent opportunity for you to generate leads, promote your reputation and corporate culture and create lasting profitable relationships with distributors who will recognize that you're an integral part of making the event possible.

Start out the morning by sponsoring the How to Get the Most out of Your Trade Show Experience session at the start of education day. Hand out products and samples to this new group of distributors and have them meet you even before hitting the show floor. You will be introduced by the host of the session and can welcome distributors as they enter the room.

Later in the day, at the new Education Day Networking Lunch & Laugh, you'll spend time with distributors, grab a delicious boxed lunch and educate them on your latest and greatest products. Show them what sets you apart from your competitors and make them laugh a little too with a quick joke!

Finally, you'll round out your day with distributors at the Education Day Cocktail Networking Reception. Hundreds of distributors will be there enjoying the cap to a successful first day at the *ASI Show*.
