Distributor Networking Lunch: Meet the Expert

2018

Distributor Networking Lunch: Meet The Expert is an excellent opportunity for you to:

- Generate leads
- Promote your reputation and corporate culture
- Create lasting profitable relationships with distributors and increase qualified booth traffic

On Education Day, you will have the opportunity to have lunch with distributors attending education sessions. This is a key opportunity to meet with distributors before the show floor opens and invite them to come to your booth to see your product line! You can hand out products and samples, share your knowledge and experiences to this new group of distributors to increase your booth traffic at the show.

Share your expertise.... seating is limited so become a partner today!
