MOBILE APPLICATION

2017

Put Your Brand in the Palm of Their Hands at the *ASI Show!*

The *ASI Show* Mobile Application allows you to stay top-of-mind with attendees as they plan their activities during the show and research client needs after they return home.

The *ASI Show* Mobile App is a must-have among distributors with a high ratio of show attendees downloading the application prior to leaving for the show. Providing a complete exhibitor listing, full show schedule, detailed education roster along with many other user-friendly features, the *ASI Show* Mobile App provides real-time access to show news and happenings.

Make sure your company and product line pops off the screen by taking advantage of these inexpensive Mobile Application upgrades:

▌ For as little as $99 you can feature your color logo on the Exhibitors list and your individual company listing page

▌ Include a catalog or sell sheet with your listing for $199 (only $99 with an upgraded color logo and banner ad)

▌ Invite distributors to your booth for special events or a drawing by sending out a Mobile Alert for only $299

▌ Be promoted on every page of the Mobile Application by featuring your company in a Banner Ad for $399
